

Life at the Palmar Arriba Group Home • Pastor Ted Krey

We are thankful to be able to tell you that we have six orphans who are transitioning well into their home. The orphans are already attending our regular divine service every Wednesday evening and we thoroughly enjoy learning of Jesus Christ together with them. Recently, in an evening visit I made, we talked about baptism and Stephanie began to ask questions like, "Pastor are you baptized?", "Yes I am," I replied. I asked her, "Are you baptized Stephanie?" She shrugged her shoulders and said no. I said, "Would you like to be baptized and have Jesus forgive you your sins?" She said a definitive, "Yes!"

Prayer Requests • Danelle Putnam

Please keep in prayer our group home this month as we seek to sign the final formal agreement between the government and our organization for the custodianship of the children who are now in our care. Please pray that this may go well, and that things may continue to run smoothly at the group home. Please also keep the Director, Dr. Marisol Martinez and the caregivers in your prayers also.
